

## Impact from the Michigan Pilot Project

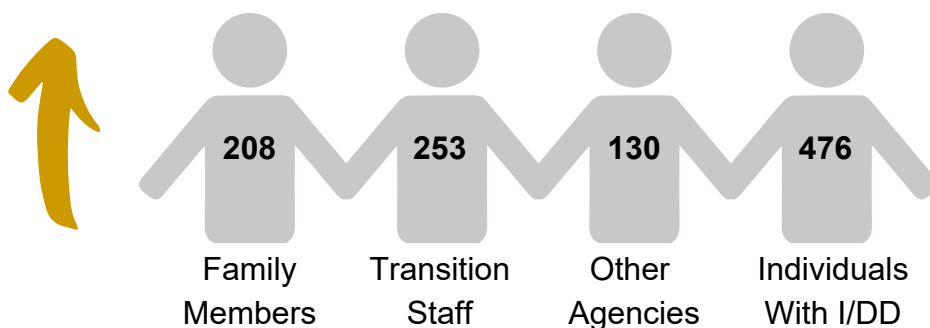

A partnership between the Michigan Council of Developmental Disabilities and Elevatus Training

### YEAR 1

During the 2018 training, 11 teams of self-advocates and professionals were trained as sexuality educators.

Here is a map of the locations.

The total number of people impacted by the project:

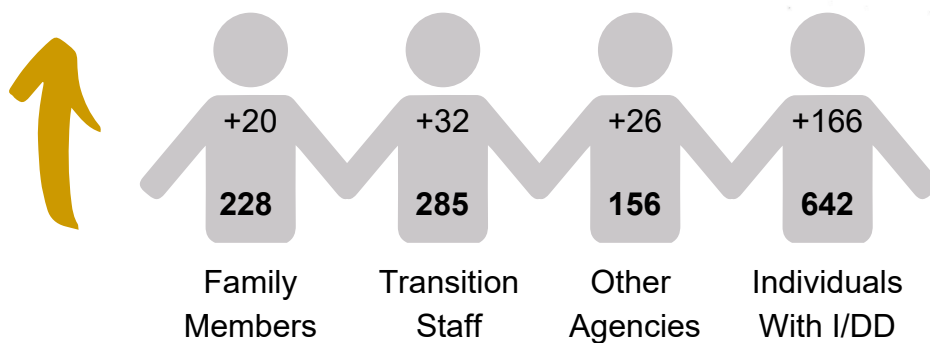

### YEAR 2

During the 2019 training, an additional 15 teams were trained for a total of 26 teams.

Here is a map of the locations.

The total number of people impacted by the project:

### YEAR 3

Michigan trained 15 TOT trainers to continue the project. These trainers will take over the training of new teams.
