Elevatus Training, LLC
Building Healthy Relationships at Work Slide Deck

Elevatus Training, LLC has developed a presentation referred to as Building Healthy Relationships at Work Slide Deck, which is to be used in conjunction with our curriculum, *Building Healthy Relationships at Work* one on one, in the classroom, online or offline.

Conditions

We hereby grant you the non transferable right to use the product for your own internal use, within your business, agency or school in conjunction with the implementation of the *Building Healthy Relationships at Work* curriculum. We kindly ask that you not transfer this product to another business, agency or school, instead, we ask that you please share our website, www.elevatustraining.com so others may purchase for themselves.

Elevatus Training owns the copyright of this product and we ask that you please respect our intellectual property. However, in the spirit of our mission, to make our content accessible and relevant we have made the **PowerPoint version** of the slide deck **editable** (the Google Slide deck version is **view only**).

Which version of the Slide Deck Should I Use?

If you want to JUST view and present the slide deck as is, and have no need to adjust the slides, add slides or edit use you can use the Google Slides version. You only have viewer access to these.

If you want to adjust slides, add slides or edit, use the PowerPoint version. For best results, DO NOT open the PowerPoint version in Google Drive (it will mess up the formatting). Download the decks to your computer. Then, open up PowerPoint and edit them there as per the below instructions and terms of use.

We ask:

- Please keep all Elevatus Slides as is. If you don't want to use a slide, hide the slide.
- Please don't change the template on any slides that contain our content.
- You have permission to add slides. If you add additional slides, we ask that you not use the name Elevatus Training, or our logo on any slides you *add* to this presentation that contains *your* content.
- If you're creating a hybrid slide, some content of ours, some of yours, please give Elevatus Training attribution for our content.
- If you want to adapt slides per the examples below, you may, but please maintain our formatting template, and branding;
 - Spreading the information out on to more slides

- Swapping out certain words or images (to use images or vocabulary your audience is more familiar with)
- Changing the font size

To agree to these terms and conditions, please check here.

You can download a copy of this form for your records. Once you check “I agree” you will be forwarded to a page to access the slide deck.
